Summer School Schedule

Classes are held Monday through Friday

Session A: June 3 - 14

Morning: 7:30 am - 11:20 am

Afternoon: 12:00 pm - 3:50 pm

Session B: June 17 - 28

Morning: 7:30 am - 11:20 am

Afternoon: 12:00 pm - 3:50 pm

Secondary Summer School Fees

All Students - \$225 per semester course

All Students - \$25 one-time, non-refundable registration fee

Out-of-District Students - \$50 additional one-time, non-refundable fee

Middle School Bridge Class Fees

\$225 per course

\$25 one-time, non-refundable registration fee

High School STAAR End of Course Exam Prep Classes

STAAR Prep Classes are FREE to all GCISD High School Students. Students may only register for ONE STAAR End of Course Prep Class. However, students may take a STAAR Prep Class in the morning and then a semester course for either credit recovery or initial credit in the afternoon. The afternoon summer school course would include course and registration fees.

Payments

Payment is due at time of registration. Students will be withdrawn from all courses if full payment not received by June 1th. We encourage you to pay online through Skyward Parent Access.

Payments Accepted

- | | |
|------------------|---|
| Online | Credit Cards (Visa, MasterCard, Discover, e-check)
Make payments through the Parent Skyward Account
A \$5 non-refundable service fee is added to all online payments |
| In-Person | Cash, Check, Money Order, or Credit Card |
| By Mail | Check or Money Order (No Cash)
Please include your student ID on all checks to ensure proper credit.
Send payment to:
Secondary Summer Programs
3051 Ira E Woods Ave
Grapevine, TX 76051 |

***Registration and payment serve as confirmation that parents and students agree to abide by the Summer School Discipline Plan and all other GCISD policies.**

GCISD Check Acceptance Policy

The District **will accept** personal checks for payment when presented under the following conditions:

- All checks are commercially printed and numbered
- Checks should be written using blue or black ink
- Checks include:
 - Name, address, and telephone number
 - Current date
 - Student name and ID number

The District **will not accept:**

- Checks without a pre-printed name and address (no counter checks/starter checks/temporary checks)
- Checks with an expiration date (credit card account checks)
- Pre or Post-dated checks

A person writing a check to the District agrees that, if the check is returned for any reason, that it may be represented electronically on the same account. The fee established by law, in addition to the face value, may be debited from the same account. These fees, as permitted by state law, may be debited as a paper draft or an electronic funds transfer, at the District's discretion.

Specifically, per Texas Business & Commerce Code Annotated §3.506, the service fee for returned checks is \$30. Each dishonored item is subject to the applicable state returned check fees plus sales tax. (Note that the fee structure will be adjusted accordingly for any amendments to Texas state law.)

Returned checks are sent to Paytek Solution for collection. To inquire about a returned check please contact Paytek Solutions directly at 800-353-9130.

The use of a check for payment to the District is acknowledgement and acceptance of the policy and its terms.

Refunds

Course fee will be refunded if classes are canceled by the following dates:

	<u>Session A</u>	<u>Session B</u>
100% if canceled by	5/24/19	6/07/19
50% if canceled by	5/31/19	6/14/19

In the event a course is canceled by GCISD a full refund will be issued.

Refunds will be issued starting the week of July 9, 2018.

Grapevine-Colleyville Independent School District Secondary Summer School Discipline Plan

The summer school program is designed to enhance the regular school year program. The program is intensified, due to the length of time spent in class, in such a way that one day of summer school equals four school days during the regular school year. For this reason, it is extremely important that students be present every day and on time for class.

The following rules, as well as all GCISD policies, will be in effect during secondary summer school.

ALL STUDENTS

- Any student removed from class due to a behavioral problem shall be counted as being absent. Any student who has a major rule violation may be removed from the program and there will be NO refund of tuition.
 - 1st referral – parent phone call/conference/removal from campus
 - 2nd referral – withdrawal from class with **NO** refund
- All summer school students will adhere to the GCISD Student Code of Conduct.
- Teachers will announce any additional classroom rules during the course.
- Students must make arrangements with the teacher, at the teacher's convenience, to make up any work missed due to an absence.
- Students will be in designated areas only.
- The use of electronic devices is prohibited during instructional time unless with the permission of the classroom teacher. The district's ELECTRONIC DEVICE POLICY will be enforced. No exceptions. Items will be confiscated until the end of the student's class day. Please make sure you are aware of this district policy and the actions that can result.

ATTENDANCE

- A maximum of one absence may be accrued per class per session. Should a student be absent the first two days of each session, the student will be dropped from that summer school session with no tuition reimbursement. A second absence beyond the second day of each session will result in the student not receiving credit for the course and the grade will be recorded on the student's transcript with an indicator of credit denial due to attendance. Three (3) tardies will equal one full absence in that individual class. Tardy is defined as arriving within the first twenty minutes of the class period. Thereafter the student is marked absent.
- If students are lacking credit due to attendance, Seat Time will not be offered.
- GCISD Summer School maintains a closed campus every day, including lunch. This means that students are not allowed to travel off campus unless they are finished with their classes for the day. Visitors are not allowed on campus at any time.

FINAL EXAMS

Final exams will be administered at 7:30 AM for morning classes and 9:00 AM for afternoon classes on the last day of each A or B session.

PARKING

Students must park in the main student parking lot behind the school. Students may not park in the parking lot by the football field. Students are not allowed in the parking lot once they arrive at school or during class time. Students loitering in the parking lot or outside the building will be considered truant and an absence will be assigned.

DRESS CODE

- Each student's hair will be clean and well groomed at all times and shall not obstruct vision. No extreme style or color will be allowed. The color of the hair must be of natural colors. For example, no red, blue, purple, or other colors will be allowed. This includes the shaving of symbols or words into the student's hair. In addition, students will not be allowed to wear spiked hair (Liberty or Unicorn styles).
- Students will be expected to maintain a neat and clean appearance in regard to facial hair such as mustaches, beards, goatees, and sideburns. Facial hair must be of natural colors. Apparel should not display risqué prints or symbols, gang graffiti or monikers, lewd, vulgar, obscene, or suggestive language/design. Advertisements or symbols that promote or depict drugs, alcohol, tobacco products, violence, or Satanism are prohibited on all apparel, jewelry, and accessories. No pentagrams, skulls, inverted crosses or serpents on shirts, jewelry, or hats will be allowed. No chains, handcuffs, jewelry, or accessories that suggest weaponry will be allowed. In addition, trench coats and dusters are prohibited as are any apparel with sexually explicit, suggestive or offensive language, symbols or pictures. Also, apparel with swastikas, Nazi symbolism, and Confederate flags are not allowed.
- Hats, caps, forehead bands, bandannas, sunglasses or other head coverings and distracting accessories will not be worn in the school building. Students shall not be allowed to display body piercings that cause disruptions of/or interference with normal school operations.
- Students are to wear shoes or sandals at all times.
- Proper underclothing must be worn at all times and cannot be visible.
- No apparel considered revealing, such as shirts tied at the waist, shirts that expose the midriff (shirts must cover the midriff at all times), halter tops or tops with spaghetti straps, torn or "holey" apparel, fishnet shirts, tank tops (boys and girls), strapless or off-the-shoulder blouses or dresses, spandex clothing, or cut off T-shirts will be permitted. If a normal bra can be seen the shirt, top, or blouse will not be allowed. Sleeveless blouses/tops must have the outside edge of the sleeve touch the outside edge of the shoulder (no cut-in sleeves). Tube tops with proper underclothing must be worn with an over blouse and must be buttoned halfway up. Opaque or colored hosiery will not be considered pants when worn alone or with a long sweater or shirt.
- Shorts or skirts must allow students to be able to stand, sit and/or bend with modesty. These must be fingertip length when shoulders are relaxed.
- Gang attire: clothing, jewelry, grooming styles, shoes, or boots that identify a student as a member of a gang or that is associated with acts of hate or violence will not be allowed. Attire of this nature has a tendency to change and is reviewed periodically.
- The administration of each campus will provide proper notification to students prior to any change in dress and grooming standards.
- Students who are sent home because of a dress code violation will receive an unexcused absence.

The building administration will use its discretion in questions concerning the dress code. Where there is a question on the dress or appearance of a student, the school administrator's decision will be final.

TOBACCO-ALCOHOL-DRUGS

- Students may not use or possess tobacco, snuff, chewing tobacco, cigarettes, cigars, pipes, or electronic cigarettes.
- While on school grounds, while attending a school function, or while en route to or from school or school functions on transportation made available by GCISD, students are prohibited by this code from possessing, using, selling, attempting to sell, or being under the influence of: an alcoholic beverage, an inhalant or other substance used to induce intoxication; marijuana, a hallucinogenic, amphetamine or barbiturate, or any other substance prohibited under the Texas Controlled Substances Act or the Federal Drug Abuse Prevention Control Act.
- A student who possesses or is under the influence of a drug authorized by a licensed physician through a prescription specifically for that student's use shall not be considered to have violated this provision.

TRANSPORTATION

Transportation is not provided by GCISD for Secondary Summer School courses that are for Initial Credit or Credit Recovery. Transportation is provided by GCISD only for STAAR/EOC courses.

***Registration and payment serve as confirmation that parents and students agree to abide by the above Summer School Discipline Plan and all other GCISD policies.**

Middle School Course Offerings

ONLY students who are/were in the 6th, 7th, or 8th grades during the 2018-2019 school year may register for these summer school classes

Credit Recovery = Previously took the course, but did not pass
Initial Credit = First time to take the course

Middle School Initial Credit

One Semester Course Descriptions

FOR HIGH SCHOOL CREDIT

ONLY students who are/were in the 6th, 7th, or 8th grades during the 2018-2019 school year may register for these summer school classes

TOUCH SYSTEMS DATA ENTRY for 6th, 7th or 8th grade

Initial Credit - One Semester Course

High School Elective Credit - is NOT required for graduation

This course teaches the skill of keyboarding by touch with speed and accuracy. Students will enhance reading, writing, computing, communications, and reasoning skills while applying them to the business environment through correctly formatting business letters, reports, and tables. This course is a prerequisite for Business Information Management. Upon successful completion of this course, one-half high school elective credit will be awarded.

June 3 - 14

7:30 am - 11:20 am

June 17 - 28

7:30 am - 11:20 am

SPEECH for 8th grade ONLY (Professional Communications)

Initial Credit - One Semester Course

Required for High School Graduation

This one-semester course is designed to prepare students to communicate in professional and social roles beyond high school. The course will target the skills needed to send clear verbal messages given the expanding technologies of our current day. Students will learn to choose effective nonverbal behaviors, listen for desired results, and apply valid critical thinking and problem solving skills to ensure effective communication. The course satisfies the speech requirement for graduation.

June 3 - 14

7:30 am - 11:20 am

12:00 pm – 3:50 pm

June 17 - 28

7:30 am - 11:20 am

12:00 pm – 3:50 pm

HEALTH for 8th grade ONLY

Initial Credit - 1 semester course

Required for High School Graduation

For students who want to clear the .5 credit health requirement, this condensed one-semester summer program may work for you. Now that health is no longer offered to athletes during the Athletic Block, students may want to take advantage of summer school to complete this requirement. Emphasis is placed on acquiring knowledge and skills regarding healthy behaviors that will safeguard health, particularly pertaining to health risks. Includes CPR training, abstinence-based sex education and information to safeguard students from sexual abuse and harassment

June 3 - 14

7:30 am - 11:20 am

12:00 pm – 3:50 pm

June 17 - 28

7:30 am - 11:20 am

12:00 pm – 3:50 pm

Middle School Bridge Classes

Acceleration/Enrichment

3 WEEK COURSES

6th Grade going into 7th Grade

Bridge Math

An acceleration or enrichment program to prepare and support students for enrollment and success in 7th grade math (including Accelerated). Students from On-Level, PAP, and Accelerated Math are all eligible for this course. A highly engaging, collaborative, fun program designed to develop deep understanding of math concepts. 7th grade content focus areas: measurement, rational numbers, algebraic concepts, probability and statistics. Future goal of enrollment in 8th grade Algebra 1. 7th grade Accelerated Readiness Exam administered at the end of the bridge program for parent registration consideration.

June 10 - 28

7:30 am - 11:20 am

\$225 per class

Bridge Science

Experience a course that will expose students to key concepts to facilitate their entry into these advanced courses

- Participate in hands-on, inquiry-based lessons that will allow them to investigate life science, earth science and physical science
- Be exposed to interactive and activity-based learning
- Learn note-taking, discussion and note booking strategies in this problem-based learning

June 10 - 28

12:00 pm - 3:50 pm

\$225 per class

7th Grade going into 8th Grade

Bridge Math (Algebra I Readiness)

An acceleration or enrichment program to prepare and support students for enrollment and success in 8th grade math (including Accelerated). Students from On-Level, PAP, and Accelerated Math are all eligible for this course. A highly engaging, collaborative, fun program designed to develop deep understanding of math concepts. 8th grade content focus areas: measurement, rational numbers, algebraic concepts, probability and statistics. 8th grade Algebra 1 Readiness Exam administered at the end of the bridge program for parent registration consideration.

June 10 - 28

12:00 pm - 3:50 pm

\$225 per class
